

Still Waters

Rediscovering your well of stillness in busy times

Courage & Renewal[®] Retreat

In this one-day experiential introduction to the work of Parker J. Palmer (author of 'The Courage to Teach' and 'A Hidden Wholeness: The Journey Toward an Undivided Life'), we invite you to join with others to reflect, renew, and reconnect with the inner passion, courage and sense of purpose that gives meaning to your work and life in the world.

Who should participate: *The day is open to individuals from all professional settings, including those in business, health care, education, public and social services, voluntary and community work. Courage & Renewal work simply offers space for those who welcome an opportunity for reflection and renewal in order to illuminate their own life journey, or enhance their leadership role in work, organisational or community settings.*

Courage & Renewal

At this retreat we'll use the Circle of Trust[®] approach, developed by Parker J. Palmer and the Center for Courage & Renewal. The Circle of Trust creates a process of shared exploration that creates a safe space for nurturing our personal and professional integrity and the courage to act on it.
