

Living Divided No More

A Courage to Lead® Retreat

We arrive in this world undivided, integral, whole. But sooner or later, we erect a wall between our inner and outer lives, trying to protect what is within in us or to deceive the people around us. Only when the pain of our dividedness becomes more than we can bear do most of us embark on an inner journey toward living "divided no more."

Parker J. Palmer

Those of us engaged in organisational leadership, professional or voluntary community service and social change know the challenge of sustaining ourselves and our commitment to act from deeply held values amid the complexity of our roles. The more passionate we are about our work, the more vital it is we take time to renew our own spirits and hearts.
